About EnerNOC

EnerNOC is a leading provider of cloud-based energy intelligence software (EIS) and services to thousands of enterprise customers and utilities globally. EnerNOC's EIS solutions for enterprise customers improve energy productivity by optimizing how they buy, how much they use, and when they use energy. EIS for enterprise includes budgeting and procurement, utility bill management, facility optimization, visibility and reporting, project tracking, demand management, and demand response. EnerNOC's EIS solutions for utilities help maximize customer engagement and the value of demand-side resources, including demand response and energy efficiency. EnerNOC supports customer success with its world-class professional services team and a Network Operations Center (NOC) staffed 24x7x365. For more information, visit www.enernoc.com.
