EnerNOC to Release First Quarter Financial Results on May 5, 2016

BOSTON, April 18, 2016 (GLOBE NEWSWIRE) -- [EnerNOC, Inc.](#) (Nasdaq:ENOC), a leading provider of energy intelligence software (EIS) and demand response solutions, announced today that it will release financial results for the first quarter of 2016 on Thursday, May 5, 2016 before the market opens. The Company's management team plans to host a live conference call and webcast at 9:00 a.m. eastern time on that day to discuss the financial results as well as management's outlook for the business.

The conference call may be accessed in the United States by dialing +1.800.288.8968 and using access code "ENOC." The conference call may be accessed outside of the United States by dialing +1.612.332.0107 and using access code "ENOC."

The conference call will be simultaneously webcast on the Company's investor relations website, which can be accessed at <http://investor.enernoc.com>. A replay of the conference call will be available approximately one hour after the call by dialing +1.800.475.6701 or +1.320.365.3844 and using access code 391202 or by accessing the webcast replay on the Company's investor relations website.

About EnerNOC

EnerNOC is a leading provider of energy intelligence software (EIS) and demand response solutions. With capabilities to better address budgets and procurement, utility bill management, facility analysis and optimization, sustainability and reporting, project tracking, and demand management, EnerNOC's enterprise SaaS platform helps businesses control energy costs, mitigate risk, and streamline compliance and sustainability reporting. EnerNOC also offers access to more demand response programs worldwide than any other provider, offering businesses a valuable payment stream to further enhance bottom line results. EnerNOC's utility SaaS platform enables energy suppliers to forge deeper customer relationships, address regulatory mandates, and cost-effectively integrate demand-side resources to improve grid reliability through key capabilities, including customer engagement, demand response, energy efficiency, operational effectiveness, and wholesale procurement. Safe Harbor Statement

Statements in this press release regarding management's future expectations, beliefs, intentions, goals, strategies, plans or prospects, including, without limitation, statements relating to the future growth and success of the Company's energy intelligence software, and the benefits that customers may derive from technology updates or enhancements to that software, may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and other federal securities laws. Forward-looking statements can be identified by terminology such as "anticipate," "believe," "could," "could increase the likelihood," "estimate," "expect," "intend," "is planned," "may," "should," "will," "will enable," "would be expected," "look forward," "may provide," "would" or similar terms, variations of such terms or the negative of those terms. Such forward-looking statements involve known and unknown risks, uncertainties and other factors including those risks, uncertainties and factors referred to under the section "Risk Factors" in EnerNOC's most recent Annual Report on Form 10-K and subsequent Quarterly Reports on Form 10-Q, as well as other documents that may be filed by EnerNOC from time to time with the Securities and Exchange Commission. As a result of such risks, uncertainties and factors, the Company's actual results may differ materially from any future results, performance or achievements discussed in or implied by the forward-looking statements contained herein. EnerNOC is providing the information in this press release as of this date and assumes no obligations to update the information included in this press release or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
