About EnerNOC

EnerNOC is a leading provider of energy intelligence software (EIS) and demand response solutions. With capabilities to better address budgets and procurement, utility bill management, facility analysis and optimization, sustainability and reporting, project tracking, and demand management, EnerNOC's enterprise SaaS platform helps businesses control energy costs, mitigate risk, and streamline compliance and sustainability reporting. EnerNOC also offers access to more demand response programs worldwide than any other provider, offering businesses a valuable payment stream to further enhance bottom line results. EnerNOC's utility SaaS platform enables energy suppliers to forge deeper customer relationships, address regulatory mandates, and cost-effectively integrate demand-side resources to improve grid reliability through key capabilities, including customer engagement, demand response, energy efficiency, operational effectiveness, and wholesale procurement.
